**Subject:** BSG Resources - 2017 Renewal Terms

Good evening Sam,

As per our last email correspondence, please find attached the relevant clauses and proposal form that requires completion. Some of these clauses are as expiry (I have attached a copy of the expiring policy in word format so you can view them there too).

- The P&P date of 30<sup>th</sup> May 2013, which is just the prior and pending litigation date, which is as expiry.
- In terms of the Schedule of ODL positions; just to re clarify insurers are looking to have scheduled appointments covered only, not blanket ODL coverage. Insurers need a list of the ODL positions which are to be covered at inception and then any new positions taken up during the year would need to be reviewed before being added to the policy mid-term.
- In terms of subjectivities, insurers would like to have these prior to inception if possible, please.

Have a good weekend and catch up next week.

Alan
